FIVE IN A ROW. A WHOLE OCEAN TO APPRECIATE.

Mark sightings on shore after your outing. Five across, down or diagonally makes bingo.
Keep your card for future visits: some finds are tiny, seasonal or uncommon. Sightings are not guaranteed.

WILDLIFE FIRST

Look without touching, feeding, chasing or collecting. Never move animals, shells or habitat.
Stay with your buddy. Follow your dive plan and local rules. No square is worth extending a dive.

Identify your finds & plan your next adventure
